NEW PRODUCT SPECIAL PRICING

We are excited to announce Premier Scales & Systems is now an Authorized Stocking Distributor for Starrett Precision Measuring Tools. Starrett is one of America's oldest manufacturers for precision measuring instruments, including micrometers, levels, gauge blocks, and surface plates. This new partnership is a continuation of Premier Scales & Systems' commitment to one-stop-shopping for all measurement products, calibrations, and solutions. To celebrate this new product line, Premier Scales & Systems is offering special new product pricing on the below Starrett Tools. When you make your purchase, don't forget to ask about how our lab can provide ISO/IEC 17025 accredited calibration for your new Starrett instruments. Contact our team today to request a quote or place an order while supplies last!
